

Five Facts You Should Know

- (1) That disease is the result of a disordered condition.
- (2) That when we correct the disordered condition, we eliminate the disease.
- (3) That the blood is the carrier of poisons throughout the body.
- (4) That to successfully treat any disease originating in the blood, we have to treat the blood, as the cause.
- (5) That S. S. S. is the most reliable remedy for removing impurities from the blood.

S. S. S. is an expert remedy for the blood that has been a blessing to thousands of sufferers in the last fifty years. There is nothing mysterious about S. S. S. It is an extract from native herbs and bark, each known for its medicinal value. These ingredients combine and set in a fluid and helpful way with nature.
